#### Online Resources

The CWG Fire/EMS PAK Program offers educational resources online at [www.firepak.com](http://www.firepak.com). We provide current, effective safety and training articles written by Certified Training Officers and a high quality training video library.

#### PreventionPAK

As a customer of CWG's Fire/EMS PAK Program, you have special access to loss control documents only available to insured departments like yours. These PreventionPAK safety articles address needs and risks faced by the Fire/EMS community, as well as helpful general safety information. Use the PreventionPAK pieces to reinforce training, establish regular reminders or to post in frequently viewed areas within the building. With more than 30 PreventionPAK documents currently available, you will find plenty of options to meet your needs. Sample topics include:
